The Company's Nomination Committee's recommendation concerning the remuneration and the number of the members of the Board of Directors as well as the election of the members of the Board of Directors and the Chairman has been published on 25 November 2021 as a stock exchange release.

On 27 January 2022, the Board of Directors of the Company has received a proposal for decision from Ilmarinen Mutual Pension Insurance Company according to which the remuneration of the members of the Board of Directors would be paid pursuant to the recommendation of the Nomination Committee. The Board of Directors has decided to publish Ilmarinen's proposal for decision as a proposal on the remuneration of the members of the Board of Directors to the Annual General Meeting. According to the proposal for decision, the following remunerations would be paid to the Board of Directors:

As an annual fee, the Chairman would receive EUR 90,000, the Vice Chairman would receive EUR 55,000 and the other members would receive EUR 45,000 each. However, if a member of the Board acts as the Chairman of the Audit Committee or the R&D Committee, her/his annual fee would be EUR 55,000.

In addition, as a fee for each meeting attended, the Chairman would receive EUR 1,200, the Vice Chairman would receive EUR 900 and the other members would receive EUR 600 each. The travel expenses of the Board members would be paid in accordance with the previously adopted practice. The aforementioned meeting attendance fees would also be paid to the Chairmen and to the members of the committees established by the Board. The meeting attendance fees of Board members permanently resident outside Finland would be doubled if the meeting was held outside the country of residence of such a member and the person attended the meeting at the place of the meeting.

Of the above-mentioned annual fees, 60% would be paid in cash and 40% in Orion Corporation B shares, which would be acquired for the members over the period 29 April – 5 May 2022 from the stock exchange in amounts corresponding to EUR 36,000 for the Chairman, EUR 22,000 for the Vice Chairman and for the Board members acting as the Chairmen of the Audit Committee and the R&D Committee and EUR 18,000 for each of the other members. The part of the annual fee that is to be paid in cash corresponds to the approximate sum necessary for the payment of the income taxes on the fees and would be paid no later than 31 May 2022. The annual fees shall encompass the full term of office of the Board of Directors.

In addition, the company would pay the transfer tax related to the part of the annual fee of the Board of Directors paid in shares.

Potential statutory social security and pension costs incurring to Board members having permanent residence outside Finland would be borne by Orion Corporation as required by the applicable national legislation.

Board members would be required to retain ownership of the Orion Corporation B shares paid as fees for a period of two years from the date of payment of the fees. However, if the person's membership of the Board of Directors of the company were to end before the expiry of the restriction on transfer, the restriction on transfer would expire at the end of the membership of the Board of Directors.

The Nomination Committee has not given its recommendation for the remunerations to the Board of Directors, but the matter will be proposed by a shareholder at the AGM.

The Nomination Committee notes that the annual fees and meeting fees are the same as those decided in 2021, except that the meeting fees of Board members permanently resident outside Finland are paid increased.

Shareholder's pre-emptive rights and directed share issue

The new shares may be issued

- in a targeted issue to the Company's shareholders in proportion to their holdings at the time of the issue regardless of whether they own Class A or B shares; or
- in a targeted issue, deviating from the shareholder's pre-emptive rights, if there is a weighty financial reason, such as the development of the capital structure of the Company, using the shares as consideration in possible corporate acquisitions or other arrangements related to the Company's business or financing investments. The authorisation may not be used as a part of the Company's incentive system.

The new shares may not be issued to the Company itself.

Subscription price in the Balance Sheet

The amounts paid for new shares issued shall be recorded in the reserve for invested unrestricted equity.

Other terms and validity

The Board of Directors shall decide on other matters related to the issuance of shares.

- by selling them in trading on the regulated market organised by Nasdaq Helsinki Ltd;
- in a targeted issue to the Company's shareholders in proportion to their holdings at the time of the conveyance regardless of whether they own Class A or B shares; or
- in a targeted issue, deviating from the shareholder's pre-emptive rights, if there is a weighty financial reason, such as using the shares as part of the Company's incentive system. Other terms and validity

The Board of Directors shall decide on other matters related to the conveyance of own shares.

The authorisation to convey own shares shall be valid for five years from the decision of the Annual General Meeting.

This decision cancels the corresponding share issue authorisation concerning conveyance of own shares given by the Annual General Meeting of Orion Corporation on 26 March 2019 to the extent the authorisation has not yet been exercised.
